Designing a Results Hearing

Result: __________________

Visuals: Indicators and baselines

The Panel::
Who do you want to appear before you?

Questions for the panel about:
- The Story: behind the baselines
- Partners: who have a role to play in doing better
- What Works: to make a difference on these indicators
- Action Plan and Budget: proposed by the panelists
- Data/research agenda: additional things we'd like someone to find out

Awards for:
- The Toughest Question
- The Question most likely to encourage Action
- The Question most likely to encourage Partnership

Penalties for:
- Questions (or answers) involving Jargon
- Questions (or answers) involving Finger pointing

Brainstorm about these.
Award these.
